December

- 7th - Saturday Steam Up. 10am-4pm
- 7th - Santa Train Rides. 2pm-5pm
- 21st - Saturday Steam Up. 10am-4pm

News

Wiltshire Model Steam Gala

At the WWSME committee meeting on 24th September our Chairman (Richard Walker) expressed his thanks to all who had contributed to make the show such a success. It is really impressive that so many of the members are able to put on a show that was enjoyed by the 300 visitors who came on the day.

The show has made over a thousand pounds towards future projects, and a donation will be made to the supported charity "Hope for Tomorrow".

5" Ground Level Track

With working days over some of the hottest days of the summer our 5" ground level track was laid ready to take its first fare paying passengers at the September show.

Thank you to Jon Clarke & Bob Taylor and all the members who volunteered their time and worked so hard on this project over the summer. With the 5" ground level track now laid half way around the outside of the 3½" and 5" elevated track we are looking forward to completing the task of laying a complete circuit of track along with a passing loop.
