15th - Saturday Steam Up. 10am-4pm

March

7th - Saturday Steam Up. 10am-4pm

21st - Saturday Steam Up. 10am-4pm

News

Working Parties

We have been kindly donated a second hand shed to be used as storage for rolling stock. It needs a bit of renovation and re-assembly so we would like some help if people are able to come and lend a hand. We also have more track bed construction for the ground level to do, so there are lots of things to do.

We are planning to have working days on Sunday 2nd February and Saturday 29th February. Both days will be 09:30 until 15:00. As always, even if you can only spare a few hours it will be appreciated, and helps us along the way.

Due to the possible changes in weather we may cancel or postpone so please let us know if you are planning, or possibly able to come. That way we can let you know if it's cancelled or not.

Please let Jon Clarke or Bob Taylor know if you intend to come along, or want to chat about the work planned.
