

WWSME Autumn/ Winter programme

The autumn season is now here and 16mm running in the clubhouse on the 1st and 3rd Saturdays of the month will commence from the 7th November and continue until 17th April 2021. The track has been set up and will be left up throughout the season. The current arrangements for outdoor running of the 5 inch track continue with the proviso that the limit for members attending stays at a total of six. On Saturdays when the indoor track is in use access to this will be prioritised over outdoor running, if there is space left by 5:30 on the Friday before the session then outdoor use can be booked. All visits to the site need to be booked in advance by e-mail on peter_fred@hotmail.co.uk.

The first and third Saturdays will be split into two sessions, the morning session is from 10:00 to 12:30. The afternoon session runs from 13:00 to 15:30. One of the places will be filled by a duty keyholder who is responsible for opening the site, cleaning between sessions and locking up at the end of the day. The kitchen will remain closed so please bring your own refreshments. It is also advisable to dress warmly as the main door will be open and windows on both sides of the clubhouse will be open to ensure through ventilation. A mask is a requirement whilst in the clubhouse.

Please maintain the 1 metre plus social distancing whilst in the clubhouse, and only handle your own rolling stock to minimise the risk of spreading COVID 19.

With these rules we hope to be able to operate as near normal autumn / winter running programme as can be done within the current circumstances.
